## Community Open House

Meet the project team and learn more about aspects of the project of most interest to you:

**Thursday, November 9th**

Stop by anytime between 5:30-7:30 p.m. at Princess Anne Recreation Center (1400 Nimmo Pkwy, Virginia Beach)

Kitty Hawk Wind is a clean energy project that will be located 36 miles off the coast of Virginia Beach in federal waters. This 3.5 GW project will generate enough renewable energy to power approximately 1 million homes and businesses. Learn more at: [kittyhawkoffshore.com](http://kittyhawkoffshore.com)
